Program Description

Overview

OJP is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

With this solicitation, NIJ seeks to address the mandate required in Section 507(a)(6), an evaluation of “[t]he quality and effectiveness of technical assistance provided by the Department of Justice to grantees for implementing such programs.”

Statutory Authority: The First Step Act of 2018 (Pub. L. No. 115-391, 132 Stat 5194, 5235–37, § 507 (codified at 34 U.S.C. § 60501 Note)); 34 U.S.C. § 60555; Title I of the Omnibus Crime Control and Safe Streets Act of 1968 (sections 201 and 202); 28 U.S.C. § 530C.

Specific Information

The competitive FY2020 solicitation, *Assessing the Effectiveness of the Second Chance Act Grant Program: A Phased Evaluation Approach*, under which the award was originally made, sought applications for funding to conduct an evaluation mandated in Title V of the First Step Act of 2018 (Pub. L. No. 115-391, 132 Stat 5194, 5235–37 (codified at 34 U.S.C. § 60501 Note)). The mandate in Section 507 states, “Not later than 5 years after the date of enactment of this Act, the National Institute of Justice shall evaluate the effectiveness of grants used by the Department of Justice to support offender reentry and recidivism reduction programs at the State, local, Tribal, and Federal levels.”

Specifically, the evaluation will examine:

1. The effectiveness of such programs in relation to their cost, including the extent to which the programs improve reentry outcomes, including employment, education, housing, reductions in recidivism of participants in comparison to comparably situated individuals who did not participate in such programs and activities.
2. The effectiveness of program structures and mechanisms for delivery of services.
3. The impact of such programs on the communities and participants involved.
4. The impact of such programs on related programs and activities.
5. The extent to which such programs meet the needs of various demographic groups.
6. The quality and effectiveness of technical assistance provided by the Department of Justice to grantees for implementing such programs.

7. Such other factors as may be appropriate.

Under the current opportunity, the applicant will propose strategies to assess “[t]he quality and effectiveness of technical assistance provided by the Department of Justice to grantees for implementing such programs” including but not limited to assessments of the types of training and technical assistance (TTA) requested by SCA grantees, the quality of TTA delivered, the effectiveness of the modes of delivering TTA, and the connections between TTA and program changes and outcomes, and grantee satisfaction with TTA.

NIJ does not anticipate making additional supplemental awards for this evaluation.

Goals, Objectives, and Deliverables

Goals

The goal of the NIJ-funded Second Chance Act evaluation is to examine the effectiveness of grants used by the Department of Justice to support offender reentry and recidivism reduction programs at the State, local, Tribal, and Federal levels.

Objectives

The objective of this solicitation is to determine the effectiveness of technical assistance provided by the Department of Justice to Second Chance Act grantees. The objective of this solicitation is to further develop and enhance the tool.

Deliverables

Interim Research Report. The applicant will be expected to produce a report detailing interim study results.¹

Final Research Report. The applicant will be expected to submit a final research report.² Additional information on the final research report requirement for the solicitation is posted on the Post Award Reporting Requirements Page on NIJ’s website.

The applicant under this solicitation will be expected to submit to the National Archive of Criminal Justice Data (NACJD) all data sets that result in whole or in part from the work funded by the award, along with associated files and any documentation necessary for future efforts by others to reproduce the project’s findings and/or to extend the scientific value of the data set through secondary analysis.

The goals, objectives, and deliverables are directly related to the performance measures that show the completed work’s results, as discussed in the “Application and Submission Information” section.

How to Apply

Registration: Before submitting an application, all applicants must register with the System for Award Management (SAM). You must renew and validate your registration every 12 months. If you do not renew your SAM registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. Registration and renewal can take up to 10 business days to complete.

Submission: Applications must be submitted to DOJ electronically through a two-step process via Grants.gov and JustGrants.

Step 1: After registering with SAM, the applicant must submit the **SF-424** and an **SF-LLL** in Grants.gov at <https://www.grants.gov/web/grants/register.html> by the Grants.gov deadline. **Submit the SF-424 and SF-LLL as early as possible, but no later than 48**

hours before the Grants.gov deadline. If an applicant fails to submit in Grants.gov, they will be unable to apply in JustGrants.

Step 2: The applicant must then submit the **full application**, including attachments, in JustGrants at JustGrants.usdoj.gov by the JustGrants deadline.

Within 24 hours after receipt of confirmation emails from Grants.gov, the individual in Section 8F of the SF-424 will receive an email from DIAMD-NoReply@usdoj.gov with instructions on how to create a JustGrants account. Register the Entity Administrator and the Application Submitter with JustGrants as early as possible but no later than 48-72 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive an emailed link to complete the rest of the application in JustGrants. The Entity Administrator also will need to log into JustGrants to review and invite the applicant's Authorized Representative(s) before an application can be submitted.

Submit the complete application package in JustGrants at least 24 – 48 hours prior to the JustGrants deadline. Some of the application components will be entered directly into JustGrants, and others will require uploading attached documents. Therefore, applicants will need to allow ample time before the JustGrants deadline to prepare each component. Applicants may save their progress in the system and revise the application as needed prior to hitting the Submit button at the end of the application in JustGrants.

For additional information, see the “How to Apply” section in the [OJP Grant Application Resource Guide](#) and the [DOJ Application Submission Checklist](#).

Submission Dates and Time

The **SF-424** and the **SF-LLL** must be submitted in Grants.gov by 11:59 p.m. eastern time on August 11, 2023.

The full application must be submitted in JustGrants by 8:59 p.m. eastern time on August 15, 2023.

OJP urges applicants to submit their Grants.gov and JustGrants submissions prior to the due dates with sufficient time to correct any errors and resubmit by the submission deadlines if a rejection notification is received. To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. Failure to begin the SAM.gov, Grants.gov, or JustGrants registration process in sufficient time (i.e., waiting until the date identified in this solicitation) is not an acceptable reason for late submission.

Experiencing Unforeseen Technical Issues Preventing Submission of an Application

OJP will only consider a request to submit an application after the deadline when the

applicant can document that a technical issue with a government system prevented application submission.

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. However, the waiver request will not be considered unless it includes a tracking number generated when the applicant contacts the applicable service desks to report technical difficulties. Tracking numbers are generated automatically when an applicant emails the applicable service desks; and for this reason, applicants are encouraged to email the appropriate service desk, even if they also intend to call the service desk for phone support. Experiencing wait times for phone support does not relieve the applicant of the responsibility of getting a tracking number.

An applicant experiencing technical difficulties must contact the associated service desk indicated below to report the technical issue and receive a tracking number:

- SAM.gov - contact the [SAM Help Desk \(Federal Service Desk\)](#), Monday – Friday from 8 a.m. to 8 p.m. ET at 866-606-8220.
- Grants.gov - contact the [Grants.gov Customer Support Hotline](#), 24 hours a day, 7 days a week, except on federal holidays, at 800-518-4726, 606-545-5035, or support@grants.gov.
- JustGrants - contact the JustGrants Service Desk at JustGrants.Support@usdoj.gov or 833-872-5175, Monday – Friday from 7 a.m. to 9 p.m. ET and Saturday, Sunday, and Federal holidays from 9 a.m. to 5 p.m. ET.

If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at grants@ncjrs.gov within **24 hours of the Grants.gov deadline** to request approval to submit after the deadline.

If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at grants@ncjrs.gov within **24 hours of the JustGrants deadline** to request approval to submit after the deadline.

Waiver requests sent to the OJP Response Center must -

- describe the technical difficulties experienced,
- include a timeline of the applicant's submission efforts (e.g., date and time the error occurred, date and time of actions taken to resolve the issue and resubmit; and date and time support representatives responded),
- include an attachment of the complete grant application and all the required documentation and materials,
- include the applicant's Unique Entity Identifier (UEI), and
- include any SAM.gov, Grants.gov, and JustGrants Service Desk tracking numbers

documenting the technical issue.

OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant who does not provide documentation of a technical issue or who does not submit a waiver request within the required time period will be denied.

For more details on the waiver process, OJP encourages applicants to review the “Experiencing Unforeseen Technical Issues” section in the [OJP Grant Application Resource Guide](#).

Application Review Information

Review Process

OJP reviews the application to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation. For invited applications, OJP reviews for consistency with the invitation letter and invited applicant guidance. See the [OJP Grant Application Resource Guide](#) for information on the application review process.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

Important note on FAPIIS: An applicant, at its option, may review and comment on any information about itself that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant.

Final award decisions for research and statistics programs will be made by the Director of the National Institute of Justice. For purposes of this Guidance for Invited Applications, this “[final] award decisions” provision expressly modifies the “final award decisions” provision in the “Application Review Information” section of the [OJP Grant Application Resource Guide](#).

Federal Award Administration Information

Federal Award Notices

Generally, award notifications are made by the end of the current Federal fiscal year, September 30th. See the [OJP Grant Application Resource Guide](#) for information on award notifications and instructions.

Administrative, National Policy, and Other Legal Requirements

If selected for funding, in addition to implementing the funded project consistent with the OJP-approved application, the recipient must comply with all award conditions and all applicable requirements of federal statutes and regulations, including the applicable requirements referred to in the assurances and certifications executed in connection with award acceptance. For additional information on these legal requirements, see the “Administrative, National Policy, and Other Legal Requirements” section in the [OJP Grant Application Resource Guide](#).

Information Technology (IT) Security Clauses

An application in response to this solicitation may require inclusion of information related to information technology security. See the [OJP Grant Application Resource Guide](#) for information.
