# **Program Description**

#### **Program Description Overview**

With this solicitation, NIJ seeks applications to support the operations of the Committee on Law and Justice of the National Academies of Sciences, Engineering, and Medicine and its work to develop knowledge to inform public policy interventions that: support the fair and impartial administration of justice for all Americans, restore trust in the Justice System, and support the reduction of crime and recidivism.

Supported activities may include selecting areas for study, developing committees or workshops, selecting participants, reviewing study activities and reports, and widely disseminating study results. In accomplishing these tasks, the CLAJ is expected to conduct a variety of functions. # **How To Apply**

#### **Application Resources**

When preparing and submitting an application, the following resources may aid prospective applicants:

- 1. Grants.gov "How to Apply for Grants"
- 2. OJP "How To Apply" section in the Application Resource Guide
- 3. JustGrants Application Submission Training

This solicitation (notice of funding opportunity) incorporates guidance provided in the OJP Grant Application Resource Guide (Application Resource Guide), which provides additional information for applicants to prepare and submit applications to OJP for funding. If this solicitation requires something different from any guidance provided in the Application Resource Guide, the difference will be noted in this solicitation and the applicant is to follow the guidelines in this solicitation, rather than the guidance in the Application Resource Guide that is in conflict.

#### **How To Apply**

#### Registration

Before submitting an application, all applicants must register with the System for Award Management (SAM.gov). An applicant must renew their registration every 12 months. If an applicant does not renew their SAM.gov registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. Applicants are encouraged to start the SAM.gov registration process at least 30 days prior to the application deadlines. Applicants who fail to begin the registration or renewal process at least 10 business days prior to the Grants.gov deadline may not complete the process in time and will not be considered for late submission.

#### **Submission**

Applications must be submitted to DOJ electronically through a two-step process that begins in Grants.gov and is completed in JustGrants.

**Step 1:** After registering with SAM.gov, the applicant must submit the **SF-424** and **SF-LLL** in Grants.gov at <a href="https://grants.gov/register">https://grants.gov/register</a> by the Grants.gov deadline. **To leave time to address any technical issues that may arise, an applicant should submit the SF-424 and SF-LLL as early as possible**. If an applicant fails to submit in Grants.gov by the deadline, they will be unable to apply in JustGrants. Applicants can confirm Grants.gov submission by verifying their application status shows as "submitted" or "agency tracking number assigned."

**Step 2:** The applicant must then submit the **full application**, including attachments, in JustGrants at JustGrants.usdoj.gov by the JustGrants deadline.

OJP recommends that applicants submit the complete application package in JustGrants as soon as possible. Some of the required sections of the application will be entered directly into JustGrants, and other sections will require documents to be uploaded and attached. Therefore,

Page 7 O-NIJ-2024-172212

applicants should allow enough time before the JustGrants deadline to prepare all the requirements of the application. Applicants may save their progress in the system and add to or change the application as needed prior to hitting the "Submit" button at the end of the application in JustGrants.

An applicant will receive emails when successfully submitting in Grants.gov and JustGrants and should maintain all emails and other confirmations received from SAM.gov, Grants.gov, and JustGrants systems.

For additional information, see the "How To Apply" section in the <u>Application Resource Guide</u> and the DOJ Application Submission Checklist.

#### **Submission Dates and Time**

The SF-424 and the SF-LLL must be submitted in Grants.gov by 11:59pm ET on July 24, 2024.

The **full application** must be submitted in JustGrants by 8:59pm ET on July 31, 2024.

To be considered timely, the **full application** must be submitted in JustGrants by the JustGrants application deadline. Failure to begin the SAM.gov, Grants.gov, or JustGrants registration and application process in sufficient time (i.e., waiting until the due dates identified in this solicitation for those systems to begin the application steps) is not an acceptable reason to request a technical waiver.

# **Experiencing Unforeseen Technical Issues Preventing Submission of an Application** (Technical Waivers)

OJP will only consider requests to submit an application after the deadline when the applicant can document that a technical issue with a government system prevented submission of the application on time.

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. However, the waiver request will not be considered unless it includes documentation of attempts to receive technical assistance to resolve the issue prior to the application deadline. A tracking number is the most typical documentation and is generated when the applicant contacts the applicable service desks to report technical difficulties. Tracking numbers are generated automatically when an applicant emails the applicable service desks, and for this reason, long call wait times for support do not relieve the applicant of the responsibility of getting a tracking number.

An applicant experiencing technical difficulties must contact the associated service desk indicated below to report the technical issue and receive a tracking number:

- SAM.gov: contact the <u>SAM.gov Help Desk (Federal Service Desk)</u>, Monday–Friday from 8:00 a.m. to 8:00 p.m. ET at 866-606-8220.
- Grants.gov: contact the <u>Grants.gov Customer Support Hotline</u>, 24 hours a day, 7 days a
  week, except on federal holidays, at 800-518-4726, 606-545-5035, or
  support@grants.gov.

Page 8 O-NIJ-2024-172212

 JustGrants: contact the JustGrants Service Desk at <u>JustGrants.Support@usdoj.gov</u> or 833-872-5175, Monday–Friday from 7:00 a.m. to 9:00 p.m. ET and Saturday, Sunday, and federal holidays from 9:00 a.m. to 5:00 p.m. ET.

If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at <a href="mailto:grants@ncjrs.gov">grants@ncjrs.gov</a> within **24 hours of the Grants.gov deadline** to request approval to submit after the deadline.

If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at <a href="mailto:grants@ncjrs.gov">grants@ncjrs.gov</a>] within **24** hours of the JustGrants deadline to request approval to submit after the deadline.

Waiver requests sent to the OJP Response Center must:

- describe the technical difficulties experienced (provide screenshots if applicable);
- include a timeline of the applicant's submission efforts (e.g., date and time the error occurred, date and time of actions taken to resolve the issue and resubmit; and date and time support representatives responded);
- include an attachment of the complete grant application and all the required documentation and materials;
- include the applicant's Unique Entity Identifier (UEI); and
- include any SAM.gov, Grants.gov, and JustGrants Service Desk tracking numbers documenting the technical issue.

OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant that does not provide documentation of a technical issue (including all information listed above), or that does not submit a waiver request within the required time period, will be denied.

For more details on the waiver process, OJP encourages applicants to review the "Experiencing Unforeseen Technical Issues" section in the Application Resource Guide.

#### **Application and Submission Information**

#### Content of the SF-424 in Grants.gov

The SF-424 must be submitted in Grants.gov. It is a required standard form used as a cover sheet for submission of pre-applications, applications, and related information. See the Application Resource Guide for additional information on completing the SF-424.

In Section 8F of the SF-424, please include the name and contact information of the individual **who will complete the application in JustGrants**. JustGrants will use this information *(email address)* to assign the application to this user in JustGrants.

**Intergovernmental Review:** This funding opportunity **is not** subject to <u>Executive Order (E.O.)</u> <u>12372</u>. In completing the SF-424, an applicant should answer question 19 by selecting "Program is not covered by E.O. 12372."

Page 9 O-NIJ-2024-172212

#### **Content of the JustGrants Application Submission**

#### **Standard Applicant Information**

The "Standard Applicant Information" section of the JustGrants application is pre-populated with the SF-424 data submitted in Grants.gov. The applicant will need to review the Standard Applicant Information in JustGrants and make edits as needed. Within this section, the applicant will need to add ZIP codes for areas affected by the project; confirm their Authorized Representative; and verify and confirm the organization's unique entity identifier, legal name, and address.

#### **Proposal Abstract**

A Proposal Abstract (no more than 400 words) summarizing the proposed project—including its purpose, primary activities, expected outcomes, the service area, intended beneficiaries, and subrecipients (if known)—must be completed in the JustGrants web-based form. This abstract should be in paragraph form without bullets or tables, written in the third person, and exclude personally identifiable information. Abstracts will be made publicly available on the OJP and USASpending.gov websites if the project is awarded. See the <a href="Application Resource Guide">Application Resource Guide</a> for an <a href="example">example</a> of a proposal abstract.

#### Data Requested With Application

The following application elements should be submitted in the web-based forms in JustGrants.

Financial Management and System of Internal Controls Questionnaire (including applicant disclosure of high-risk status)

The Financial Management and System of Internal Controls Questionnaire helps OJP assess the financial management and internal control systems, and the associated potential risks of an applicant as part of the pre-award risk assessment process. Every OJP applicant (other than an individual applying in their personal capacity, not representing an applicant organization) is required to complete the web-based Questionnaire form in JustGrants. See the <a href="Application Resource Guide: Financial Management and System of Internal Controls Questionnaire">Application Resource Guide: Financial Management and System of Internal Controls Questionnaire</a> (including Applicant Disclosure of High Risk Status) for additional guidance on how to complete the questionnaire.

#### **Proposal Narrative**

The Proposal Narrative should be submitted as an attachment in JustGrants. The attached document should be double-spaced, using a standard 12-point size font; have no less than 1-inch margins; and should not exceed 20 numbered pages. Pages should be numbered and submitted as an attachment.

The Proposal Narrative must include the following sections:

a. Description of the Issue

Describe the nature and scope of the problem to be addressed by this project.

b. Project Design and Implementation

Page 10 O-NIJ-2024-172212

Describe the proposed project and how it will be accomplished.

#### **Digital Trust**

Technological devices, artificial intelligence, predictive analytics, and other data-driven solutions ("Technological Enhancements") are increasingly used to augment crime reduction strategies and efforts. Care must be taken to assess and address any potential harm that could be activated by these solutions to ensure privacy, civil rights, and civil liberties are protected. Applicants proposing to use grant funds to support technological enhancements directly or via training and technical assistance should address in this section of the proposal narrative the tenants of digital trust such as:

- How the technology will be carefully implemented through training of personnel and the setting and enforcement of policies governing its use to ensure that it contributes to positive outcomes for public safety, the community and/or the criminal justice system.
- How the applicant will safeguard privacy, civil rights, and civil liberties throughout the duration of the project period.

#### c. Capabilities and Competencies

Describe the roles and responsibilities of project staff and explain the project's organizational structure and operations. Describe how the project will be managed and staffed. Management and staffing should be clearly connected to the project design. Describe the experience and capability of the applicant's organization and any contractors who will be used to effectively implement and manage the project. Any prior experience implementing projects of similar design or magnitude should be highlighted in this section.

d. Plan for Collecting the Data Required for This Solicitation's Performance Measures

Describe the process for measuring project performance. Identify who will collect the data, who is responsible for performance measurements, and how the information will be used to guide and evaluate the project's impact. Describe the process to accurately report data.

Note: An applicant is **not** required to submit performance data with the application. Rather, performance measure information is included to provide notice that award recipients will be required to submit performance data as part of each award's reporting requirements.

OJP will require each award recipient to submit regular performance data that show the completed work's results. The performance data directly relate to the solicitation goals and objectives identified in the "Goals and Objectives" section. Applicants can visit OJP's performance measurement page at <a href="https://www.ojp.gov/performance">www.ojp.gov/performance</a> for more information on performance measurement activities.

NIJ will require award recipients to submit performance measure data and performance reports in JustGrants. NIJ will provide further guidance on the post-award submission process, if the applicant is selected for award.

Page 11 O-NIJ-2024-172212

#### Application Goals, Objectives, Deliverables, and Timeline Web-Based Form

The applicant will submit the project's goals, objectives, deliverables and timeline in the JustGrants web-based form. This is a summary of the goals, objectives, deliverables, and timeline that relate to the proposal narrative. The applicant will also enter the projected fiscal year and quarter that each objective and deliverable will be completed. Please refer to the Application Submission Job Aid for step-by-step directions.

- **Goals:** The applicant should describe the project's intent to change, reduce, or eliminate the problem noted in the proposal narrative.
- **Program Objectives and Timeline:** The applicant should include objectives to accomplish its goals. Objectives are specific, measurable actions to reach the project's desired results. The included timelines should be clearly linked to the goal.
- **Deliverables and Timeline:** Project deliverables refer to outputs—tangible (for example, a report or a website) or intangible (for example, greater feelings of safety reported by the community)—that are documented and submitted within the scope of a project. Deliverables include timelines.

Anticipated project deliverables include, but are not limited to:

- NIJ participation in the spring and fall CLAJ board meetings to discuss and shape priorities for future CLAJ work with CLAJ members.
- o The ability for NIJ to suggest seminar topics for CLAJ convenings.
- Monthly meetings between NIJ and CLAJ staff to brainstorm and discuss strategic opportunities to leverage each other's work.
- Briefings to NIJ on recently released reports, as requested.
- Engagement of NIJ staff in project planning meetings to inform development of statements of task and project scope, as appropriate; and
- Connections of NIJ staff to an esteemed network of National Academies members and experts in law and justice; and
- o NIJ receipt of quarterly CLAJ newsletter highlighting current work and activities.
- o An annual report and briefing to NIJ describing key research priorities in the field.

#### Deliverables Expected by Award Recipients

Program objectives and deliverables should be included in one timeline.

#### **Budget and Associated Documentation**

All recipients and subrecipients (including any for-profit organization) must forgo any profit or management fee.

#### Budget Detail and Narrative Web-Based Form

The applicant will complete the JustGrants web-based budget form, which includes both detailed calculations and budget narrative sections.

For additional information about how to prepare a budget for federal funding, see the "Application Resource Guide" section on <u>Budget Preparation and Submission Information</u> and the technical steps to complete the budget form in JustGrants in the <u>Complete the Application in JustGrants</u>: Budget training.

#### Prior Approval, Planning, and Reporting of Conference/Meeting/Training Costs

OJP strongly encourages every applicant that proposes to use award funds for any conference, meeting-, or training-related activity (or similar event) to review carefully—before submitting an application—the <a href="Application Resource Guide">Application Resource Guide</a> for information on prior approval, planning, and reporting of conference/meeting/training costs.

#### Costs Associated With Language Assistance (if applicable)

If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable. See the <a href="Application Resource Guide">Application Resource Guide</a> for information on costs associated with language assistance.

#### **Budget/Financial Attachments**

#### Pre-Agreement (Pre-Award) Costs (if applicable)

Pre-agreement costs are defined as costs requiring approval incurred by the applicant prior to the start date of the period of performance of the federal award. OJP does not typically approve pre-agreement costs. If a successful applicant, in anticipation of the federal award, but before the start date of the period of performance, incurs costs which are necessary for efficient and timely performance of the funded project, those costs may not be charged to the award. See the "Costs Requiring Prior Approval" section in the <a href="DOJ Grants Financial Guide Post-Award Requirements">DOJ Grants Financial Guide Post-Award Requirements</a> for more information.

#### Indirect Cost Rate Agreement (if applicable)

Indirect costs are costs of an organization that are not readily assignable to a particular project but are necessary to the operation of the organization and the performance of the project. Examples of costs usually treated as indirect include those incurred for facility operation and maintenance, depreciation, and administrative salaries. The requirements for the development and submission of indirect cost proposals and cost allocation plans are listed in Appendices III – VII of 2 C.F.R. Part 200. A non-federal applicant should follow the guidelines applicable to its type of organization. If applicable, an applicant with a current federally approved indirect cost rate agreement will upload it as an attachment in JustGrants. See the <a href="DOJ Financial Guide">DOJ Financial Guide</a> for additional information on <a href="Indirect Cost Rate Agreement">Indirect Cost Rate Agreement</a>.

Page 13 O-NIJ-2024-172212

#### Consultant Rate (if applicable)

Costs for consultant services require prior approval from OJP. If the proposed project expects to fund consultant services, compensation for individual consultant services is to be reasonable and consistent with that paid for similar services in the marketplace. See the <a href="DOJ Grants">DOJ Grants</a> Financial Guide for information on the consultant rates, which require prior approval from OJP.

Limitation on Use of Award Funds for Employee Compensation for Awards Over \$250,000; Waiver (if applicable)

If an applicant proposes to hire employees with federal award funds, for any award of more than \$250,000 made under a funding opportunity, an award recipient may not use federal funds to pay total cash compensation (salary plus cash bonuses) to any employee of the recipient at a rate that exceeds 110 percent of the maximum annual salary payable to a member of the federal government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. See the <a href="Application Resource Guide">Application Resource Guide</a> for information on the "Limitation on Use of Award Funds for Employee Compensation for Awards over \$250,000; Waiver."

#### Disclosure of Process Related to Executive Compensation (if applicable)

This notice of funding opportunity expressly modifies the Application Resource Guide by not incorporating its "Disclosure of Process Related to Executive Compensation" provisions. Applicants to this funding opportunity are not required to provide this disclosure.

#### **Additional Application Components**

The applicant will attach the additional requested documentation in JustGrants.

#### Curriculum Vitae or Resumes

Provide resumes of key personnel who will work on the proposed project.

#### Tribal Authorizing Resolution (if applicable)

An application in response to this solicitation may require inclusion of tribal authorizing documentation as an attachment. If applicable, the applicant will upload the tribal authorizing documentation as an attachment in JustGrants. See the <u>Application Resource Guide</u> for information on tribal authorizing resolutions.

#### Letters of Support

Applicants should include, for each named supporting entity, a signed letter of support that outlines the supporting entity's reasons for supporting for the project. Each letter of support may include the following: (1) a description of the relationship between the applicant entity and the supporting entity; (2) a description of the need and what benefits would be gained from the project; (3) a description of the applicant's capacity to complete the

Page 14 O-NIJ-2024-172212

proposed project. Letters of support should be signed and then submitted as one separate attachment to the application in JustGrants.

#### Memoranda of Understanding (MOUs) and Other Supportive Documents (if applicable)

Applicants should include for each named partner, a signed Memorandum of Understanding (MOU), letter of intent, or subcontract that confirms the partner's agreement to support the project through commitments of staff time, space, services, or other project needs. For applications submitted from two or more entities, applicants are encouraged to develop and submit signed MOUs or signed letters of intent that provide a detailed description of how the agencies will work together to meet project requirements.

Each MOU or letter of intent should include the following: (1) names of the organizations involved in the agreement; (2) what service(s) and other work will be performed under the agreement by what organization; (3) duration of the agreement.

Subcontracts, MOUs, or letters of intent should be submitted as one separate attachment to the application.

#### Research and Evaluation Independence and Integrity Statement (if applicable)

If an application proposes research (including research and development) and/or evaluation, the applicant must demonstrate research/evaluation independence and integrity, including appropriate safeguards, before it may receive award funds. #### **Application Review Information**

#### **Review Process**

OJP reviews the application to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation. For invited applications, OJP reviews for consistency with the invitation letter and invited applicant guidance. See the OJP Grant Application Resource Guide for information on the application review process.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM.gov.

Important note on Responsibility/Qualification Data (formerly FAPIIS): An applicant, at its option, may review and comment on any information about itself that currently appears in SAM.gov and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in SAM.gov, in its assessment of the risk posed by the applicant.

Final award decisions for research and statistics programs will be made by the Director of the National Institute of Justice. For purposes of this Guidance for Invited Applications, this "[final] award decisions" provision expressly modifies the "final award decisions" provision in the "Application Review Information" section of the OJP Grant Application Resource Guide.

#### **Federal Award Administration Information**

Generally, award notifications are made by the end of the current Federal fiscal year, September 30. See the <u>Application Resource Guide</u> for information on award notifications and instructions.

#### **Evidence-Based Programs or Practices**

OJP strongly encourages the use of data and evidence in policymaking and program development for criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices (programs or practices that have been evaluated as effective), see the <u>Application Resource Guide</u>.

#### Information Regarding Potential Evaluation of Programs and Activities

For additional information on what should be included in the application, see the <u>Application Resource Guide</u> section entitled "Information Regarding Potential Evaluation of Programs and Activities."

Page 17 O-NIJ-2024-172212

#### Administrative, National Policy, and Other Legal Requirements

If selected for funding, in addition to implementing the funded project consistent with the OJP-approved application, the recipient must comply with all award conditions and all applicable requirements of federal statutes and regulations, including the applicable requirements referred to in the assurances and certifications executed in connection with award acceptance. For additional information on these legal requirements, see the "Administrative, National Policy, and Other Legal Requirements" section in the <u>Application Resource Guide</u>.

#### **Civil Rights Compliance**

If a successful applicant accepts funding from OJP—as a recipient of OJP funding—that award recipient must comply with certain federal civil rights laws that prohibit it from discriminating on the basis of race, color, national origin, sex, religion, or disability in how the recipient delivers its program's services or benefits and in its employment practices. The civil rights laws that may be applicable to the award include Title VI of the Civil Rights Act of 1964 (Title VI), the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act of 1968 (Safe Streets Act), and Section 504 of the Rehabilitation Act of 1973. These and other federal civil rights laws are discussed in greater detail here: Overview of Legal Requirements Generally Applicable to OJP Grants and Cooperative Agreements - FY 2024 Awards under the "Civil Rights Requirements" section, and additional resources are available from the OJP Office for Civil Rights.

Part of complying with civil rights laws that prohibit national origin discrimination includes recipients taking reasonable steps to ensure that people who are limited in their English proficiency (LEP) because of their national origin have meaningful access to a recipient's program and activity. An LEP person is one whose first language is not English and who has a limited ability to read, write, speak, or understand English. To help recipients meet this obligation to serve LEP persons, DOJ has published a number of resources, including a language access assessment and planning tool, which are available at https://www.lep.gov/language-access-planning. Additional resources are available at https://www.ojp.gov/program/civil-rights-office/limited-english-proficient-lep. If the award recipient proposes a program or activity that would deliver services or benefits to LEP individuals, the recipient may use grant funds to support the costs of taking reasonable steps (e.g., interpretation or translation services) to provide meaningful access. Similarly, recipients are responsible for ensuring that their programs and activities are readily accessible to qualified individuals with disabilities. Applicants for OJP funding must allocate grant funds or explain how other available resources will be used to ensure meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services for deaf or hard of hearing individuals or the purchase of adaptive equipment for individuals with mobility or cognitive disabilities. For resources, see http://www.ADA.gov or contact OJP.

#### **Financial Management and System of Internal Controls**

See the <a href="Application Resource Guide">Application Resource Guide</a> for additional information.
